Message from Jenny

It is hard to believe the school holidays are nearly upon us, this term seems to have flown by and I am sure the children are ready for a well earned break. It has been a busy term with lots of sports and performances from our amazing children.

Stars on Stage practice is well underway and those taking part have given 100% in every practice, we are very proud of each and everyone of them. The children who haven't started their parts for this performance will be starting after the holidays. We will keep you posted and let you know as soon as tickets are released for sale and the date they will be performing. It will be one of the following dates: 26, 27 or 28 August. Remember to get in quick and as tickets sell out very fast. Our tamariki have lots on next term with sport, musical and cultural performances coming up. Keep an eye out in the newsletter for important dates for our performances etc.

Our Year 4-6 children who took part in the TSSA Cross Country on Tuesday once again did us all proud. It was fantastic to see the Elmgrove blue and white streak across the finish line. Well done to everybody who represented Elmgrove, and congratulations to the 10 children who are now off to the Otago Champs next term.

This year our school has absolutely rocked the 40 hour famine, the amount of money we have raised together has truly amazed us! We have made over **\$5500** so far and we still have some money to come in. This total is the most we have ever made for the 40 Hour Famine and I know that the organisers will be so very grateful to all those who took part. Thank you to the children who have driven this huge effort.

Good luck to all those taking part in sports teams this weekend, I wish you all luck, have fun and enjoy yourselves.

Have a safe and relaxing holiday, I hope you have lots of PJ days and we will see you back next term, refreshed and ready to go.

The Mother fish went to get food and then she said wait by a large rock. Then they followed mum and then they got caught. And then Tane, the god of the birds and forest, threw them up into the sky. They turned into stars.

By Davin

A long time ago Maui was angry because the sun was going too fast. He wanted to catch the sun. They had some wax. They made some ropes to catch the sun. They had to walk to the spot where the sun comes up. Then when the sun came up they threw the ropes on the sun and stopped the sun.

By Fletcher

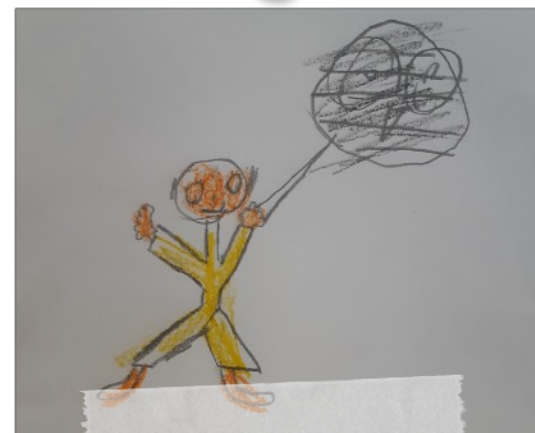

In Matariki night I liked spending time with my family, but it was a shame that my dad could not come to Matariki night. The walk was fun though. I liked making the lanterns

By Florence

My Favourite thing about matariki is walking around the block. It was fun. We got to have pumpkin soup.

By Mila c

I liked doing the lantern walk because it was fun and it was dark. I also liked being the creatures

Best Swishes for a great game !

We have had a few reports of headline recently, with School Holidays next week, its a great time to be extra vigilant with getting rid of our unwanted "friends". Please see attached a step by step guide for treating headline with just wet combing and conditioner. We have a small supply of conditioner here in the office if anyone would like to come and grab some for treating over the holidays.

Step 1

Make your child comfortable and let them watch their favourite programme, movie or other entertainment.

Comb or brush any knots out of your child's hair with an ordinary comb. Put plenty of conditioner all through wet or dry hair, starting at the scalp and going all the way down to the hair ends.

Step 2

Comb hair conditioner through hair, still using an ordinary comb – this stuns the head lice and makes it difficult for them to grip the hair or crawl around.

Step 3

Change to a fine tooth, head lice comb and comb sections of your child's hair. Comb from the roots to the ends of the hair.

Step 4

After each comb, wipe the conditioner on to a paper towel or tissue. Check the tissue or paper towel for lice and eggs (a magnifying glass may help you to see them more easily).

Step 5

Repeat the combing for every part of the head, section by section. Comb each section at least 4 or 5 times before moving on to the next section.

Step 6

After you have combed the whole head, rinse out the conditioner.

Step 7

If you find lice or eggs, repeat these steps every day if you can manage it, but at least every 2 to 3 days. You can stop when you find no lice or eggs for 3 days in a row.

Step 8

Check the hair of everyone in the house twice a week for the next 2 weeks to make sure everyone stays clear.

Ocho Chocolate Factory School Holiday Tour

Kia Ora,

My name is Jared Smith and I am the tour and events manager at the Ocho Chocolate Factory located on 10 Roberts Street, Dunedin. I am messaging your school to inform you about our school holiday tours. During the oncoming two week holiday period we will be charging children \$5.00 for a tour of our new factory. This includes seeing how chocolate is made and a tasting session. Parents will be charged \$10.00.

We run two tours per day. The first runs at 11am and the second runs at 2pm. Booking is preferred but not essential.

Spread the news and come and try our delicious chocolate!
