Message from The Principal

Stars on Stage was held over the last three nights with Elmgrove performing as the final act last night. What a massive effort by all of our children and teachers who have been working so hard over the last six weeks to get this performance ready. It is a great opportunity for students to perform on a professional stage in front of an audience of thousands. We are really proud of them all. We also need to say thank you to the many helpers who Jenny Ryalls ropes into making costumes, applying make up and even working back stage on the nights. We will now pack away the costumes for another two years. Dvd's of the performances will be available to order from the school for \$20. These are always great and the children enjoy watching performances from other nights as well as revisiting their own performances in years to come.

Today we have the Omathalon at the Edgar Centre. Elmgrove have three teams competing. Otago cross country is scheduled for tomorrow and I wish our ten runners all the best as they take on the best from around Otago.

Sports registration links were included in the newsletter last week and are in again today. This year we are offering a range of new sports for you to try. These will only go ahead if there are enough registrations. Check out the sports on offer and get your registrations lodged before they close.

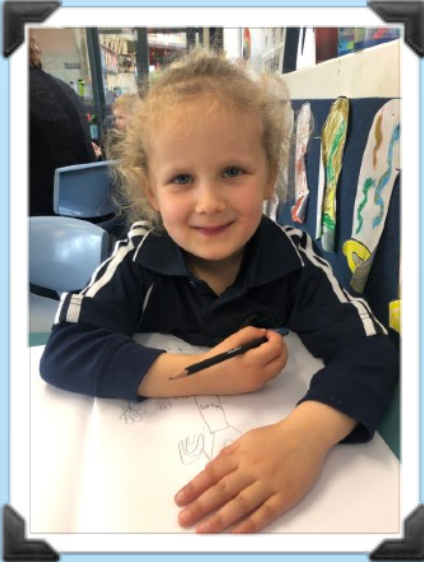

Have a great weekend.

Thanks.

Chris McKinlay
Principal

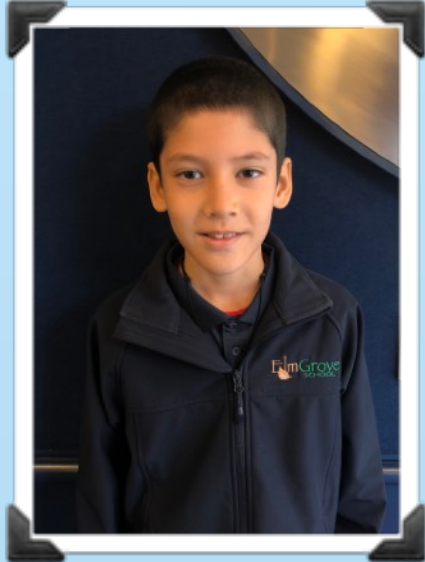

Welcome to Elmgrove

Adele

Heidi

Mikaeel

Congratulations Brax.
Braxton got selected for the Mini world cup final last weekend for Mosgiel Football club and represented himself and his club!

Stars on Stage

Our students getting ready for their fantastic performance that was put on last night. Please if you have any photos send them through to us. We can't wait to see the photos from the photographer of our performance.

How great did our children look on stage!!

Thank you to everyone involved with making this performance happen.

Stars on Stage

Rata Hub

We have been doing science writing. We write about an experiment. First we predict what we think will happen, then we do the experiment and observe carefully. Next we write up what happened.

Prediction

I think the raisin that is going in the fizzy water will float.

Observation

It actually bounced up, down, up down, up. It stays there at the top for a few minutes then it goes up and down again. It went up because the bubbles stuck on it.

By Ruby

Prediction

The raisin could float or sink

Observation

One sank and one went up and down and it had bubbles. It was in fizzy water, the water was very fizzy, and excited and funny. I was thinking they would both stay at the top, it was weird.

By Grace

Rata Hub

Prediction

We had a fizzy drink and I think the raisin will float.

Observation

It floated and went down. The bubbles were lifting the raisin up.

By Oscar

Prediction

The raisin will float.

Observation

One of the raisins went up and down. It kept going up and down, up and down then some of the bubbles attached to it and some were still not on the raisin.

Girls Futsal Tournament

On Tuesday some of our year 5/6 Girls went to the Edgar Centre for a futsal tournament. Different schools came together to form activity groups. The activity groups completed fun futsal-based skills and games over the course of the morning with coaches supplied by Football South, Southern United, as well as volunteer community coaches.

The afternoon consisted of students playing Futsal matches in their assigned school teams. Each game ran for 10 minutes.

Parent and Daughter Evening

YEAR 6 CHILDREN

WHEN: Wednesday September 11th

TIME: 6pm

WHERE: At School

Please let the office know if you and your daughter will be attending.

If you want to order a stars on stage DVD let us know!
