Message from The Principal

This past week has been a very busy week for children. It started with the Taieri inter school 7's tournament at Taieri College last Friday. This was a great day of sporting challenges and ended with Elmgrove again winning the overall champions trophy with wins in three of the five sports. This week we have had both of our middle school hubs on trips to the museum. Yesterday we had four teams competing in the inter school netball competition at the Edgar stadium where two made the semi finals. Our senior students are now in the final stages of polishing their Stars on Stage performance with full dress rehearsals. This is now less than a week away. Our students are very lucky with the variety of activities they get to take part in.

Please note in the oncoming events section that there has been a couple of small changes due to a clash between our Polyfest performance and school photographs. Our Polyfest performance date has been set for Wednesday 11th September. This was the day we had set for School photographs so we have now moved the photographs to Friday 13th September. These changes have also been made in the school community calendar and will show up on your skoolloop app.

This weekend is the Elmgrove Book Sale. We have had a lot of very good quality books donated for both children and adults. The fund-raising committee are holding the book sale in the school hall between 11 am and 2 pm on Saturday. I hope you can find the time to drop in and get yourself a great selection of books to read at a very reasonable price. We appreciate your support.

Chris McKinlay
Principal
