PRIDE Homework  
Ruby Award  
Year 4

## Parent & Caregivers

Your child has decided to work towards completing their Ruby PRIDE Homework Award. This means you need to help them to choose one task from each of the boxes below and support them to complete the task. They need to complete a total of eight tasks to gain this award.

Your child should talk to their teacher before they begin a task and will need to think about how to present their completed work. Remember the task is the important part.

Most importantly of all, spend time with your child on their selected tasks and have fun with them and their learning.

Practicality

### The Arts

- Produce a recycled materials art work
- Write a short play and present it to your class (learned and costumed)
- Make up a dance or haka to a piece of music, and present it to your school
- Learn a magic trick or circus act and present it to your syndicate
- Design a challenge of your own choice

Responsibility

### Giving

- Visit and help an elderly person twice in a term or two terms
- Grow some vegetables to give away
- Take an interesting photo of an animal you know, write a few sentences about the animal and why the photo is interesting
- Look after siblings in some manner to help your family
- Design a challenge of your choice

Innovation

## Academic

- Read at least 5 chapter books in a term.
- Present a report on an event at school or in the wider community
- Research an area of your choice and present it to your class in a creative way.
- Present a three minute speech to your class on a topic of your choice.
- Design a challenge of your own choice in another curriculum area.

## Service

- Prepare a picnic for your family
- Find an area at school and keep it litter free for a whole term
- Take on a responsibility that helps the middle school for a term
- Design a challenge of your own choice

## Physical Activity

- Design a challenge of your own
- Organise a game for junior pupils for two lunch times
- Go on a four hour bush walk with family/friends
- Join a sports club and play a team game for a season
- Practise a new skill and demonstrate it to your class
